CAMP POLICIES

HEALTH POLICIES

The New York State Health Department (DOH) mandates our programs' health policies. All children are required to have a recent medical statement on file and up-to-date immunizations before they are accepted to the program. Please provide these documents with the enrollment application. Daily health checks and temperature checks are completed upon arrival to ensure that your child is not exhibiting any signs of illness. We continue to emphasize daily and routine handwashing and sanitization to keep the children and our staff healthy. As we get closer to camp starting, we will continue to partner with the DOH regarding any required changes to our health and safety protocols, as needed.

MEALS

Breakfast, lunch and an afternoon snack will be provided daily and are included in the tuition. Our program participates in the Child and Adult Care Food Program (CACFP) administered through the State Health Department. If your child has food allergy, please provide us with documentation from your child's physician in order for the culinary staff to modify the menu.

OUTDOOR PLAY

Outdoor play will be offered during the morning and afternoon. Please provide sunscreen protection and a hat for your child. If the heat index is extremely high, outdoor activities will be prohibited.

FIELD TRIPS & SWIMMING

*We typically have field trips scheduled throughout the summer. We also typically have trips to the Y to swim twice each week. As we get closer to summer, we will determine if we can do these activities considering any covid-related considerations.

SCHEDULE

CAMP INFORMATION & FEES

OUR CAMP

We are licensed by the Office of Children and Family Services (OCFS). Our program offers a variety of fun and learning activities for your child to enjoy. Our program is also designed to provide a safe and warm environment.

Our 2021 program will run for 10 weeks beginning on June 28th and ending on September 3rd and is for children 5-10 years of age. Five year olds must have completed Kindergarten.
